## **About Today's Performers**

**The Nelson String Quartet** formed in 2020 by musicians from Muswell Hill, the Nelson String Quartet came together while studying at the Royal Academy of Music. Their mutual love for chamber music led to the formation of the quartet.

Known for their diverse repertoire, the quartet has performed a range of Candlelight Concerts in collaboration with Fever, including 'Adele by Candlelight,' 'Anime by Candlelight,' and 'Film Music by Candlelight.'

Outside of their quartet commitments, each member pursues freelance careers, working some of the finest orchestras and musical productions across the country.
